

## ARABEL CABLED HEADBAND

### What You'll Need

**Yarn:** Worsted weight (or can sub lighter yarn for thinner band). Shown are Juniper Moon Farms Cumulus and Lion Brand LB Collection Mako Cotton, 1 skein (can make many from one skein)

**Hook:** US Size I (5.5mm) for worsted weight yarn. Feel free to play around with different size yarn and hooks.

**Notions:** Yarn needle, scissors, hair tie (optional)

**Notes:** If you decide not to use the hair tie, keep working the cable pattern until piece is the length of the finished circumference, then fasten off and sew seam.

#### **Finished Circumference:**

Preemie: 12"  
 Baby: 14"  
 Toddler: 16"
