Lion Brand Jeans, 1 skein Classic for overalls
Lion Brand Basic Stitch, 1 skein white for shirt (CC2)
Lion Brand Fisherman's Wool or other worsted weight yarn, 1 skein for hair
Scrap DK yarn for boots (I used *Mandala*)

Gauge: 24 sts and 24 rows = 4" in sc

Finished Size: Approximately 13" tall

Notes

Doll is worked in continuous rounds without joining. Use a stitch marker to mark first st of each round.

Stuff legs, body and head as you go. I found that when I waited to stuff at the end of a section it was lumpy. About every inch or so I will stop to stuff.

Hair

Cut yarn strands twice as long as desired hair length.

The easiest way to do a lot of these is to wrap the yarn around something. I used three fingers to get short hair. Then, cut across one side of the wrapped yarn.

Hair is attached in the latch hook style. Insert hook from front to back where you would like strands. Fold strand in half, catch in hook and pull through about 1/2". Yarn over with both strands and pull through loop. (Same as if you were attaching fringe to a project). Repeat for everywhere you want hair. (See pictures at end of pattern).

For eyebrows and smile, I took apart the plies on the yarn I used for the hair and used a double ply to embroider eyebrows to ensure it matched the hair perfectly. I embroidered eyebrows 2 rows above the row with the safety eyes.

See last page of pattern for pictures of attaching hair. Note that this is showing a girl doll example, the hair for Hank should be shorter. I also separated the plies of yarn.
